Sir:

Pursuant to 37 C.F.R. § 1.181 and MPEP § 711.03(c)li, Applicants hereby petition for withdrawal of the holding of abandonment communicated in the Notice of Abandonment mailed May 30, 2007. Applicants submit that the Notice of Abandonment was issued in error. The Notice of Abandonment indicates that the present application was abandoned because of failure to timely pay the issue fee. On May 1, 2007, Applicants timely responded to the Notice of Allowance mailed on February 1, 2007. Applicants will hereby show that a Response was

mailed to the United States Patent & Trademark Office (PTO) on May 1, 2007; therefore, Applicants submit that the Notice of Abandonment for failure to timely pay the issue fee by May 1, 2007, was issued in error.

Statement of Facts

Applicants received an Examiner Communication dated June 4, 2007 from the PTO on May 30, 2007, stating that the payment due on May 1, 2007 was not timely paid having been received on May 4, 2007, three days after the deadline for payment. Applicants respectfully submit that under 37 C.F.R. § 1.8, correspondence are considered timely filed if payment is deposited with the U.S. Postal Service with sufficient postage as first class mail and the correspondence includes a certificate stating the date of deposit. Because issue fee payments are not expressly excluded from benefit of certificate of mailing under 37 C.F.R. § 1.8(a)(2), an issue fee payment complying with the requirements 37 C.F.R. § 1.8 is considered timely filed if payment is made within the statutory period.

Applicants respectfully submit that issue fee payment was timely made and deposited with the U.S. Postal Service on May 1, 2007. Applicants provide herewith a copy of Part B of the Issue Fee Transmittal which shows the signature of Gwendolyn D. Spratt authorizing submission and payment of the Issue Fee on May 1, 2007 (Exhibit A). Applicants also provide herewith a copy of Needle & Rosenberg's (N&R) PTO Filing Recordation Sheet showing the Payment of the Issue Fee was mailed on May 1, 2007 (Exhibit B) and the postcard submitted with the Issue Fee payment which is stamped received by the USPTO on May 4, 2007 and indicates that a certificate of mailing dated May 1, 2007 is included (Exhibit C). However, applicants inadvertently failed to execute the Certificate of Mailing block of the Issue Fee Transmittal sheet – Part B (see Exhibit A). Also enclosed is a declaration by Ms. Gwendolyn D. Spratt (see Exhibit D) indicating that she timely signed the issue fee transmittal on May 1, 2007, and submitted the issue fee payment and transmittal in accordance with the N&R office mail procedures for outgoing mail on May 1, 2007, but unintentionally failed to sign the certificate of mailing. As further noted by the N&R filing recordation sheet signed by Mr. Scott Darnell on

ATTORNEY DOCKET NO. 14028.0284U2

APPLICATION NO. 09/810,999

May 1, 2207 (see Exhibit B) as well as the declaration of Mr. Darnell (see Exhibit E), the signed issue fee transmittal and issue fee payment were deposited with the U.S. Postal Office at 6:38pm on May 1, 2007. Applicants respectfully submit that as the evidence submitted herewith indicates the issue fee payment was, in fact, timely submitted by the statutorily prescribed deadline of May 1, 2007, and except for the unintentional absence of the signature on the certificate of mailing, Applicants' issue fee would have been considered timely filed. In view of this showing, Applicants believe withdrawal of the holding of abandonment would be proper. Applicants respectfully request withdrawal of the holding of abandonment in the present application.

Favorable consideration of this Petition is earnestly solicited.

In the event that a Petition for Revival under 37 C.F.R. §1.137 is required, please consider this as a conditional Petition for Revival under 37 C.F.R. §1.137(b). Pursuant to 37 C.F.R. § 1.137(b), the Applicant hereby states that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional. As the issue fee was previously submitted, the issue fee payment is not believed to be due. Additionally, since the Application was filed on or after June 8, 1995, no terminal disclaimer is required.

No payment is believed to be due. This amount is believed to be correct. However, in the event that a petition for revival under 37 C.F.R. §1.137(b) is required, the Commissioner is hereby authorized to charge any additional fees which may be required, including the amount of \$1,500.00 for the Petition Fee, as appropriate for a large entity per 37 C.F.R. §1.17(m), or credit any overpayment to Deposit Account No. 14-0629.
